Flying high on success.
I choose my own path.
No compromise on my vision.
I am IFB. *Set yourself free.*

LAUNDRY

KITCHEN

LIVING

In 1974, IFB collaborated with Hienrich Schmid AG of Switzerland to set up the first fine blanking facility in Kolkata. Thereafter, in 1990, IFB Industries began manufacturing home appliances at Goa.

In today's fast paced world, there's hardly enough time to do everything your heart desires. Making time for a hobby or taking time off to rekindle old indulgences seems practically impossible. Imagine if there were a way to turn this around...

At IFB, we want to liberate you from dull and time consuming household chores and give you quality time for the things that truly matter in life.

Our **laundry, kitchen and living solutions** are designed to do just that, while you leave the hassle of household chores to our efficient and useful home appliances.

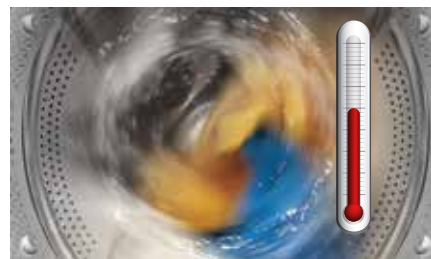

No germs, no dirt,
no stains!

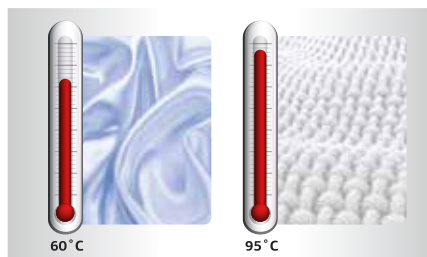

uncompromise on **99.99% germ free washing**

HYGIENE/ANTI-ALLERGEN
no more itching & sneezing
Removes allergens, giving you fresh, clean clothes that are 99.99% germ free, keeping allergies at bay. Essential for homes with kids.

HOT RINSE
no residual detergent
A final rinse using hot water to ensure clothes are 99.99% free of residual detergent.

TEMPERATURE RANGE
gets rid of germs & bacteria
Select 30°C, 40°C, 60°C or 95°C to wash all fabric types. 99.99% germ removal—for cottons use up to 95°C, for synthetics 60°C.

AUTO TUB CLEAN
clean tub for cleaner clothes
This feature makes sure that the tub remains clean for the next wash. After 40 wash cycles, your machine will remind you to run the Tub Clean program.

uncompromise on **performance**

AQUA ENERGIE
enhances detergent action
Water is energised by this built-in device. The filter treatment dissolves detergent better to give clothes a softer wash.

4D WASH
revolutionary wash system
Dynamic water jets and showers from paddles completely soak clothes and dissolve detergent.

3D WASH
dynamic wash system
Soaks clothes thoroughly to deliver an excellent wash.

uncompromise on **peace of mind**

CRESCENT MOON DRUM
protects the fabric
Smooth crescent moon grooves on the drum surface create a gentle water cushion that prevents damage to fabrics.

MARKET LEADER'S ADVANTAGE
a world of experience
Extensive knowledge of fabrics and Indian conditions in developing stain and dirt removal technologies.

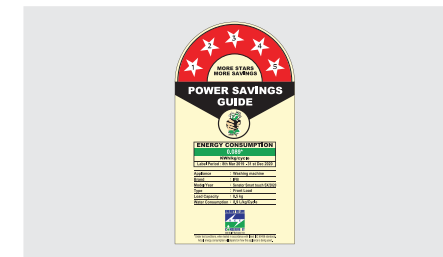

HIGH-LOW VOLTAGE PROTECTION
safeguards the machine
Monitors voltage fluctuations. Program pauses and resumes only when voltage levels stabilise.

IFB ESSENTIALS
fabric & machine care
Specially formulated detergents, conditioner and other laundry solutions for IFB Front Loads, home delivered and available online.

WARRANTY
we offer a super warranty
IFB Washing Machines are built to last with a first-of-its-kind 4 years comprehensive warranty.

ENERGY RATING
maximum savings
5 Star Energy Rating as per BEE.

IFB Front Loads are packed with intelligent features for a perfect wash. Select customised settings or pick from one of the many wash programs. Wi-Fi control lets you do all this and more with the convenience of your smartphone. Choose India's favourite washing machine for all your laundry needs.

uncompromise on removing dirt and stains

CRADLEWASH® SYSTEM
care for your delicates
Give your silks, lace, satins, chiffons and delicates the gentle yet effective care they deserve.

O₂ BUBBLE WASH
gently teases out dirt
Millions of air bubbles burst on the surface of the fabric to gently remove even the toughest stains.

PET HAIR REMOVAL
playtime is on!
A special three-cycle program that loosens and rinses out pet hair from laundry. A hot blast removes hidden allergens.

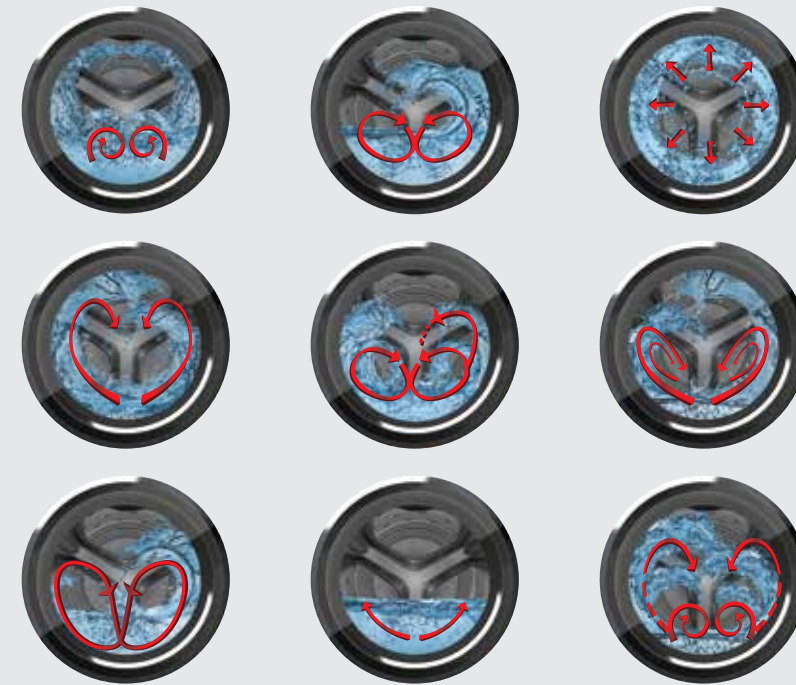

4D WASH
revolutionary wash system
Dynamic water jets and showers from paddles completely soak clothes and dissolve detergent.

BALL VALVE TECHNOLOGY
uses resources efficiently
The Float Ball Valve lets the water out while keeping the detergent in. This technology prevents wastage and enhances the wash.

STAIN REMOVAL
easily cleans stubborn dirt
Easily removes up to 12 types of stains, using unique washing techniques for complete peace of mind.

9-SWIRL
nothing cleans better
9 unique drum movements that mimic handwashing to keep your clothes looking new for longer.

A magical cleaning experience that is tough on stains and gentle on clothes. Get brighter, whiter clothes powered by the Triadic Pulsator Cleaning Engine. Pamper your fabrics while removing stubborn stains with ease. Doing the laundry is simpler, smarter and more efficient.

uncompromise on **99.99% germ-free laundry**

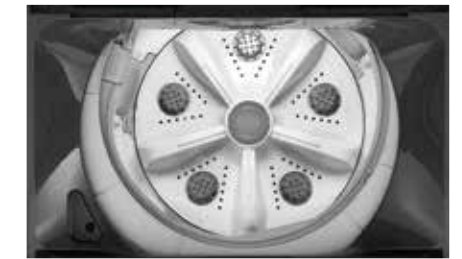

HEATER—HOT WASH AT 60°C
built-in heater

State-of-the-art heater technology tested to last at least 10 years. Scale proof, rust proof and even saves energy while giving you 99.99% germ-free washing!

HOT INLET VALVE
connects to external water heater

Allows you to connect the machine to an external hot water supply such as a geyser or solar heater.

AUTO TUB CLEAN
clean tub for cleaner clothes

This feature makes sure that the tub remains clean for the next wash.

uncompromise on **removing dirt and stains**

DEEP CLEAN
no dirt, no germs, no stains

A magical cleaning experience—Triadic Pulsator Cleaning Engine and Bi-axial Rotation work together with Aqua Energie to make clothes sparkle.

TRIADIC PULSATOR
tough on dirt, gentle on clothes

Soft scrub pads remove stubborn dirt. Powerful Swirl Jets dislodge dirt from fabrics. Mechanical Centre Punch action pushes out the dirt.

BI-AXIAL MOVEMENT
thorough soaking, better washing

Enables both vertical and horizontal movement of clothes in the drum for uniform soaking and washing.

4D WASH
revolutionary wash system

Dynamic water jets and showers from paddles completely soak clothes and dissolve detergent.

SOAK TIME SELECTION
soak dirtier clothes for longer

Increase the soak time for heavily soiled clothes or decrease it for lightly soiled ones.

RINSE TIME SELECTION
removes detergent residue

Set a longer rinse time to remove any traces of detergent from clothes. Useful for people with allergies and sensitive skin.

SMART SENSE
smart savings inbuilt

An inbuilt smart sensing mechanism automatically weighs the load and adjusts settings accordingly to save water and detergent.

AQUA SPA THERAPY
pamper your clothes

Hydrate, scrub, cleanse and rejuvenate your clothes at the spa with programs and technology designed to wash with care.

Top Load Washing Machines

uncompromise on peace of mind

MACHINE LEVEL INDICATOR
helps balance the machine

A built-in device that helps level the machine, minimising vibrations and extending its longevity.

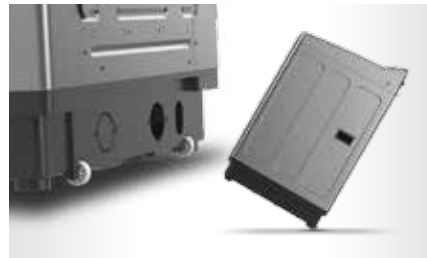

LINT TOWER FILTER
removes microfibrils

Traps lint and loose microfibrils during washing, which otherwise are drained, affecting the environment. Can be easily removed for cleaning.

CHILD LOCK
essential for homes with kids

Freezes the machine's settings to prevent children playing with them.

EASE OF MOBILITY
laundry on wheels

Just tilt the machine backwards and roll it to move it around. Two wheels at the back of the machine enable quick mobility.

SOFT CLOSING DOOR
a door you can't bang shut

The door slowly slides and shuts softly when released, lasts longer.

Get perfectly dry clothes whether you live in sunny Kolkata or frosty Srinagar. Say goodbye to allergies with germ-free drying and keep your favourites looking as good as new—soft, fragrant clothes that are a pleasure to wear!

uncompromise on **removing germs**

99.99% GERM FREE CLOTHES
avoids outdoor dust & germs

Drying clothes outdoors exposes them to dust, germs and pollution. Avoid this by using an IFB Clothes Dryer for perfectly dry, hygienic clothes.

ALLERGY FREE
no more itching & sneezing

Escape the sneezing, running nose and watery eyes. The IFB Clothes Dryer removes lint, hair and allergens, keeping your clothes fresh.

PROTECTS FROM OUTDOOR POLLUTION
avoids airborne pollutants

Protects clothes from exposure to outdoor dust, germs and contaminants.

PROTECTS FROM INDOOR POLLUTION
keeps your home fresh

Protects your home from germs, allergens, mould and odours caused by drying clothes indoors.

uncompromise on **convenience & efficiency**

DRY CLOTHES IN JUST 60 MINUTES
quick & easy drying

Anytime drying for convenient laundry management.

ALL WEATHER DRYING
dry clothes all year round

Rain or shine, we promise you 100% dry clothes, even on the wettest day of the year.

SOLUTION FOR NO DRYING SPACE
mountable & stackable

Requires very little space in your bathroom or laundry area.

REFRESH CYCLE
removes musty odour

Clothes stored for a long time, like woollens, need to be aired. The Refresh Cycle passes cool air over them, making them smell fresh.

ANTICREASE
crease free drying

Gentle rotation with auto reverse drying uses hot and cool air to reduce creasing. Just wash, dry and wear.

100% Clothes Dryers

uncompromise on peace of mind

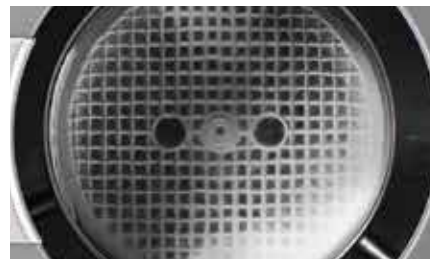

WARRANTY
peace of mind

IFB Clothes Dryer are made in India and built to last with a 4 years super warranty.

NO FADING
keeps clothes vibrant

UV rays from the sun fade fabrics over time. IFB 100% Clothes Dryer keeps your clothes looking as good as new.

LINT FILTER
removes microfibrils

Traps lint, preventing it from staying on clothes and being inhaled. Easily accessible for convenient cleaning.

Without dryer

With dryer

FLEXIBLE VENTING OPTIONS
adjustable air outflow

Adjustable duct position, from the side to the top of the machine, using the vent kit provided.

SAFETY DOOR SWITCH
ensures user safety

Prevents mishaps by turning the machine OFF if the door is opened.

OVERHEAT PROTECTION
prevents damage to laundry

Ensures safe drying of clothes by maintaining the temperature within a certain limit.

ALL WEATHER DRYING

We promise you 100% dry clothes, any day of every season. Stay warm with completely dry clothes in winter. Have dry clothes to wear even if it's raining. Stay healthy with germ free clothes in smoggy weather. No need to make your home or balcony untidy with clothes drying.

The air you breathe, the joy of living freely and your family's happiness. These are life's necessities. Why compromise? Bringing home an IFB FastCool AC means zero compromise on cooling comfort and peace of mind.

uncompromise on air quality

DUST FILTER
breathe clean air
Prevents allergies by capturing dust and other airborne particles.

PM 0.3 FILTER
breathe pure air
Removes air pollutants as small as 0.3 micron.

ANTI-BACTERIAL FILTER
filters germs & bacteria
Removes bacteria and allergens from the air.

ACTIVATED CARBON FILTER
breathe odour free air
Absorbs smoke, gases, chemicals and other dust particles.

CATECHIN FILTER
breathe crisp air
Removes unpleasant smell to keep the air odour free.

VITAMIN C DIFFUSER
breathe fresh air
Adds natural antioxidants to improve air quality.

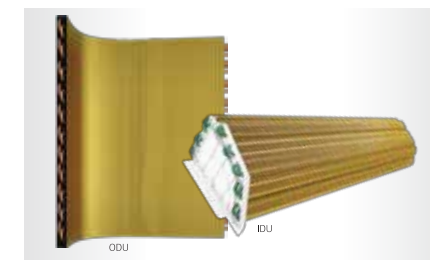

AROMA DIFFUSERS
fresh, fragrant air
Choose from Floral Harmony or Ocean Fresh fragrances to infuse a pleasant aroma in the air.

uncompromise on cooling comfort

SUPERIOR COOLING POWER WITH TWIN INVERTER HI-SPEED HD COMPRESSOR
cools even at 58°C
The powerful Heavy Duty (HD) compressor works at peak efficiency even in heat wave conditions.

DUAL GOLDFIN HEAT EXCHANGERS
improve cooling efficiency
The fins on both the indoor and outdoor units are coated to improve heat exchange for better cooling.

4 WAY AUTO COOLING
quick uniform cooling
Motorised vanes automatically swing in all 4 directions, horizontally and vertically, to deliver air evenly across the room.

Air Conditioners

uncompromise on cooling comfort

LONG AIR THROW
even and fast cooling
Cools even a large room effortlessly with an Aerodynamic 360° Blower and Powerful Fan Motor.

AIR COOLED PCB
uninterrupted cooling
This ODU features enables the AC to provide consistent and efficient performance.

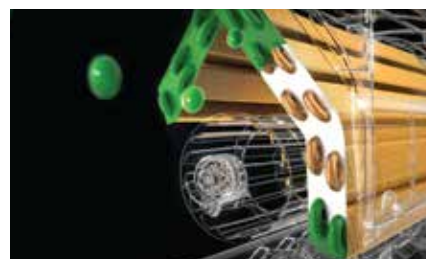

ERGONOMIC REMOTE
indoor climate control in your hands
The minimally designed, best-in-class, matt finish, black, remote control is elegant and easy to use.

uncompromise on peace of mind

100% COPPER PIPING WITH INNER GROOVED TUBES
20-30% quicker cooling
100% copper interconnecting pipes and tubes for condensers and evaporators conduct heat better to cool faster and increase machine longevity.

NANO-TEK COATING FOR EVAPORATOR TUBES
reliable performance
A special nano coating protects exposed evaporator tubes, which are generally prone to corrosion and cause leakage and inefficient cooling.

AUTOMOTIVE GRADE WEATHER PROOF COATING FOR ODU
protection for longevity
A unique high temperature silver powder coating protects the ODU from weather and pollution stresses such as rain, dust and UV sunlight.

FIRE PROOF ELECTRONIC CONTROL BOX IN IDU
added safety
A new safety feature that enables high resistance to heat, fire and corrosion.

ENERGY SAVINGS
it's cool to save
All IFB Air Conditioners are ISEER compliant, guaranteeing higher machine performance at lower energy consumption.

WARRANTY
we offer a super warranty

Specially built to suit Indian kitchens, cuisines and preferences, IFB Dishwashers' advanced programs uncompromise on water, energy and detergent savings. Use them to wash off oil and masala stains. They are perfect for everything from kadhais to crockery. Have more time to paint your indulgences in lifelike colours.

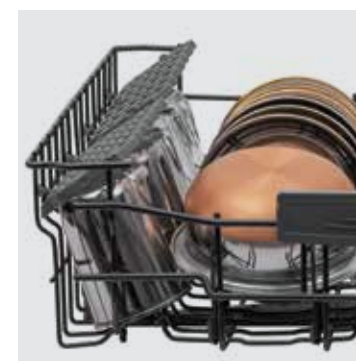

SAVES WATER, TIME AND ENERGY

Uses 9 L of water in Eco Mode as compared to hand washing, which uses a minimum of 75 L and also cuts energy consumption down to 1.05 kWh.

PERFECT FOR INDIAN/ INTERNATIONAL DISHES

Cleans and dries utensils used for daily use (oil and masala stained kadhais, cookers etc) as well as utensils used on special occasions (delicate crockery, plates etc).

FLEXIBLE HALF LOAD

Switch to Half Load for washing fewer utensils.

HOT WASH

Efficient, hygienic cleaning of utensils at up to 70°C.

PERFECT SPACE UTILISATION

Height adjustable shelves and foldable wires offer maximum utilisation of available space. The rack can be folded to make room for a variety of dishes and utensils.

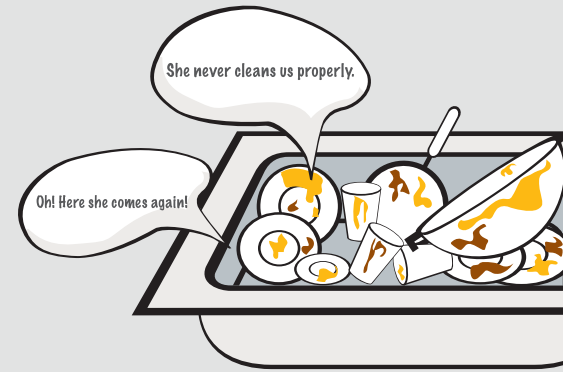

STEAM DRYING

Spotless clean, dry utensils. Steam drying ensures perfect drying of your utensils without any marks, drops or streaks on them, even when using short programs.

Dishwashers

Designed to deal with Indian masala stains as well as sauerkraut

Enjoy the safety and energy efficiency of IFB Built-in Ovens, which make baking, roasting or grilling a piece of cake!

uncompromise on performance & ease

FILTERLESS AIRFLOW
powerful suction

Air intake is not trapped by oil trapped in filters, reducing the pressure on the motor and enhancing air inflow.

ZONAL EXTRACTION
adjusts air intake

Enables air extraction from only one side of the chimney (right or left); useful for light cooking, boiling etc.

PERIMETER EXTRACTION
enhanced air suction

Extracts the air through a small space in the perimeter of the canopy, increasing speed of suction.

DOUBLE DUCT COVER
better aesthetics

Enables enhanced appeal during the ducting process.

AESTHETIC FINISH
designed for a great look

Made of glass and stainless steel, these chimneys look stunning in any kitchen.

HAND SENSOR WITH FEATHER TOUCH
keeps chimney stain free

Switch ON the chimney using gesture or touch controls. Avoid touching it with greasy hands.

REMOTE
ease of use

A handy remote enables the chimney to be controlled with greater convenience.

UNIFORM ILLUMINATION
better visibility

High grade LEDs light up the area under the chimney, where the room lighting is dim.

AUTO FRONT GLASS OPENING
elegance & efficiency

The front glass opens to enable efficient air extraction while enhancing the aesthetics of the chimney.

DELAY SWITCH OFF TIMER
keeps the kitchen smelling fresh

After switching OFF, the chimney stays on for 1 minute to remove any lingering food odour.

Chimneys

uncompromise on health & hygiene

HIGH PERFORMANCE AIRFLOW
powerful motor

Exhausts larger volumes of air, enabling better suction of odours, fumes and heat during deep frying to keep kitchen air fresh.

HEAT CLEAN WITH OIL COLLECTOR TRAY
easy cleaning

An inbuilt heater enables trapped oil to drip into a tray, ensuring smooth performance without having to frequently clean the filter.

uncompromise on peace of mind

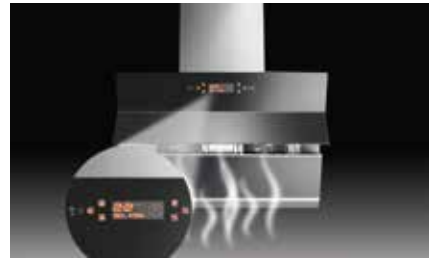

WARRANTY
peace of mind

IFB Chimneys are built to last with a 5 years warranty.

AUTO EYE FUNCTION
all day freshness

In standby mode, a sensor detects smoke below the chimney and switches it ON.

AIRFLOW INDICATOR
track at a glance

Monitors and displays the chimney's airflow.

RECIRCULATION
filters & recycles air

Perfect for homes where air cannot be vented through a duct. An additional carbon filter absorbs pollutants and the fresh air is recirculated.

DIGITAL CLOCK
always be on time

Displays time of day, enabling precise cooking durations.

BUILD QUALITY
international robust design

Stylish design with a durable finish, adding to the kitchen's elegance.

EXPERT INSTALLATION
easy set-up

Installed by authorised IFB trained service technicians.

Built-in-Ovens

uncompromise on performance

360° TRUE CONVECTION

superior grilling & roasting

Uses a combination of turbo heater, double heaters, rotisserie and a powerful fan to enable uniform baking.

TURBO HEATER & FAN

ensures even cooking

The turbo heater and fan (ring heater) generate hot air that gently circulates around the oven.

ROTISSERIE

for crispy grilling

Makes preparing delicious, evenly browned meat dishes easy, especially useful when cooking poultry.

POWERFUL FAN

better & even cooking

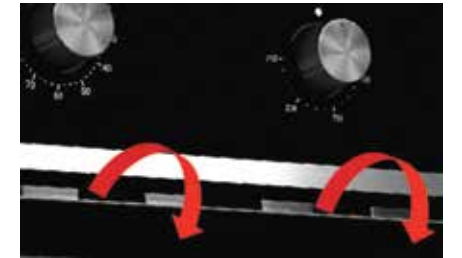

A 6-blade fan circulates hot air inside the oven.

SUPER GRILL

perfect for roasts

Enables cooking of exceptionally crispy meat dishes, especially poultry.

TANGENTIAL VENTILATION

enhanced oven performance

Creates a flow of air between the muffle and framework, reducing the temperature of the oven's external surfaces.

13 PROGRAMS

designed for convenience

IFB Built-in Ovens offer the highest number of programs in India.

PIZZA FUNCTION

specially for pizza fans

This innovative function provides a crisp, golden pizza base while keeping the toppings moist.

COOLING FAN

cools oven after use

A powerful fan forces hot air out of the oven through tangential ventilation.
